[redacted] file has been again referred to the Office of Training for consideration as a Scientific Linguist. His application was referred by Chairman Macey of the Civil Service Commission and recent correspondence with him indicated a possible interest in his qualifications. However, his salary requirement of \$18,000 (approximately GS-16) put him in a category in excess of our needs. In addition, we have under active consideration the application of [redacted] (now studying in Europe) for the same position at the GS-12 level. The Personnel Branch will advise Central Personnel that the Office of Training does not have a suitable position available for [redacted]

3. Promotion of Clandestine Services Officers

25X1A

██████████ officials are disturbed over the failure of the CS Panel to promote ██████████ was assigned to OTR in July 1964. Previously, he had been with Africa Division for five years. He has been in grade since September 1958. COS/██████████ wanted to know why ██████████ was not promoted, as well as the names of those who were promoted. The Personnel Branch checked with the Panel Secretary who stated that the long-standing policy of the Panel had been not to publish the names of successful candidates. However, if Division or Staff Chiefs wanted more information as to the reasons why an officer nominee had not been promoted, the senior official concerned certainly could make a direct inquiry to the promotion panel chairman. ██████████, Chief of EE Division, is the present Chairman of Panel A (CS/CSB/Section A) that reviewed recommendations submitted on CS officers nominated for promotion to GS-14. ██████████ has been advised accordingly.
