MEMORANDUM FOR: Director of Personnel

Bob:

I would like to suggest that the individual who is found to have used marijuana after having made formal application to the Agency would be referred to the Personnel-Security-Medical Panel for a total evaluation. The amount of referral to the respective offices would vary according to the circumstances of the case. Appropriate warnings and follow-up could follow in those cases approved for EOD.

"John"  
JOHN R. TIETJEN, M. D.  
Director of Medical Services
