Dear Sir:

STATINTL

I wish to express my appreciation for your generosity in making available to us the very fine Central Intelligence Agency display on drug abuse prevention. Also, we are grateful for the time and effort of Mr. [REDACTED] of your organization for his fine cooperation in arranging the exhibit in such a manner to achieve the maximum attention.

The display was used as part of our eleventh annual Security Week at NSA. This program consisted of a full week of activities devoted to stimulating an increased interest in security. Your colorful presentation, which was viewed by approximately 5,000 people, proved to be a popular Security Week exhibit.

Sincerely,

STATINTL
