MEMORANDUM FOR: Registrar, Office of Training

SUBJECT : Nominations for the Defense
Systems Analysis Educational
Program

REFERENCE : Memo for Senior Training Officer
DDI, Same Subject, Dated 20 March
1967

We have canvassed the Intelligence Directorate offices and have no one available for the above program. This apparently results from our already nominating two employees for the similar NIPA Systematic Analysis Program, and from the heavy emphasis on economics and especially higher mathematics required for the IDA Program.
