TAB ARMY BARRACKS EAST NO 1

This report is a partial answer to DIA requirement DIAXX 63-84, to verify the location of selected military installations in Hungary, and to perform a photo analysis of these installations to determine function, number and dimensions of buildings, to estimate troop capacity, to identify and describe related training areas and facilities, and to confirm or negate ammunition and POL storage. This report covers a specific military installation in the Tab area.

25X1D TALENT photography of [REDACTED] was used
25X1D to determine dimensions and functions of buildings. KEYHOLE photography of [REDACTED] confirmed the location of this installation; however, due to poor photo quality, no additional information could be obtained from KEYHOLE photography.

The installation described below appears on Figure 1.
