MEMORANDUM FOR: Chief, Support Staff, NPIC
THROUGH: Executive Director, NPIC
ATTENTION: Chief, Security Branch, SS
SUBJECT: Request for Security Clearances

1. It is requested that the following personnel of the

[redacted] be cleared for T, KH, and SI Clearances:

[redacted]

VI-7-0411 x 1107

2. It is anticipated that a contract will be let to the

[redacted] for a program to develop a GEMS technique which will permit an objective and semi-automated method for the assessment of the quality of operational photography. A knowledge of the image parameters of the various types of photography is basic and essential to the fulfillment of this contract. It is also essential that the contractor appreciate the various problems of assessing image quality at NPIC. The Chief, TID/NPIC has requested that this contractor become intimately familiar with their current techniques and the various types of image quality assessments required of his division.

3. Since the information and data about operational photography will be required before work under this contract can be initiated,
