The following is NPIC's position regarding the four requested items in [REDACTED] attached letter. 25X1A

1. There is no reason why these documents cannot be destroyed.

25X1A

2. Permission should be granted to allow [REDACTED] to retain the Final Report and Technical Document.

3. The Final Report and Technical Document can be de-classified for the work was not classified; only the Agency association.

4. Permission should be granted to release these reports as long as the original sponsor is kept classified. 25X1A
