Gentlemen:

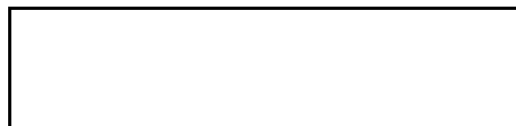

Returned herewith are the unexecuted original and two (2) copies of Amendment No. 2.

Our understanding of the enclosed document is that it establishes "final" overhead rates for our fiscal year ending December 31, 1967. We don't believe that action is appropriate at this time.

In accordance with my letters of 30 January 1967 and 13 March 1967 the overhead and G&A rates were approved by the resident DCAA auditor for calendar year 1967 for interim billing purposes.

It is requested that the contract be amended pursuant to Article One (1), Paragraph (e) to incorporate therein the following revised interim billing rates for calendar year 1967:

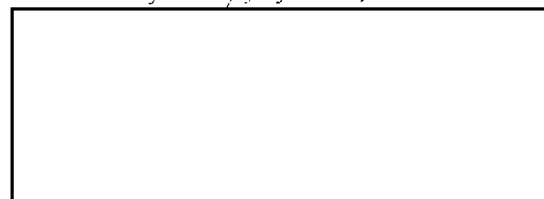

Government Systems Overhead
Research Division Overhead
G&A Expense

Thank you very much.

Very truly yours,
