Subject : Contract [Redacted] Task Order No. 1
Amendment No. 1
RIF: Your Letter Dated 17 June 1965

Gentlemen:

It is mutually agreed and understood that the [Redacted] will supply Anamorphic Zoom variable ratios including the 35.0 mm E.P.L. referenced lens Nos. 487303 and 487304. This clarification shall not affect the total cost of the subject contractual document.

The assembly tooling defined in your referenced letter is not available for use under this Contract. The tooling was abandoned to the previous Contractor for disposal and was never intended to be used as production tooling.

All other terms and conditions shall remain as originally stipulated.

Please indicate your acceptance of this Amendment No. 1 by the execution of all three copies hereto, the original and one to be returned to the Contracting Officer and the remaining copy retained for your files.

Very truly yours,

[Redacted]
Contracting Officer
