4 December 1958

MEMORANDUM FOR: SA/PD/DCI
TSS/DDP

SUBJECT: Visual Search Techniques Symposium of Armed
Forces - NRC Committee on Vision

1. In view of your earlier expressions of interest in having representation at the subject symposium, I am forwarding herewith the latest announcement from the Armed Forces - NRC Committee on Vision.

2. You will note that the date has been changed to 7-8 April 1959 and the location of the meeting has been shifted to Washington, D. C. I will keep you posted of additional details as they are forwarded to me and will rely on each of you to make his own arrangements for attendance.

ARTHUR C. LUNDAHL
Dir/PIC

cc: ODD/I (Mr. Tidwell)

STAT

3 DEC 1958

VISUAL SEARCH TECHNIQUES SYMPOSIUM

sponsored by the

Armed Forces - NRC Committee on Vision

IMPORTANT ANNOUNCEMENT

The preliminary announcement for the Visual Search Techniques Symposium brought enthusiastic response. Because of the excellent program, and its importance, the Executive Council of the Armed Forces - NRC Committee on Vision has decided to hold this symposium in Washington, D. C. where a larger attendance can be assured. Therefore, the Visual Search Symposium originally announced for the U. S. Navy Electronics Laboratory in San Diego will not be held in January. It has been re-scheduled as a major portion of the Spring meeting of the Committee on Vision, Tuesday and Wednesday, 7 and 8 April 1959, Washington, D. C.

Please watch for the official announcement of this meeting.

A. Morris, Chairman
W. G. Lewis
