Dear [Redacted]

STAT

First item of business is my thanks on behalf of our traveling road show for the outstanding hospitality given us while with you on Tuesday and Wednesday. The interest in our problems which was evidenced by the attendance of [Redacted] at our sessions was greatly appreciated. We were very much impressed by your associates, both personally and professionally, and feel quite certain that [Redacted] is admirably equipped to give us the quality and quantity of assistance which we need.

Enclosed you will find three Personal History forms which [Redacted] should complete and return to me as soon as possible. [Redacted] will then follow through on my request (copy attached) for TS clearances. This action is as discussed with you Wednesday and agreed that the exposure of these gentlemen to more detailed information will materially strengthen our mutual efforts in the systems development area.
