NPIC/D-122-61  
14 November 1961

**MEMORANDUM FOR: Assistant Director for Current Intelligence**

**ATTENTION:** [Redacted]

25X1

**SUBJECT: Request for Gray Phones**

1. As recently discussed, please make arrangements with NSA for the installation of two gray phone lines with six extensions in the Stewart Building. One line with four extensions is required in the Office of the Director, NPIC, and one line with two extensions in the Office of the Chief, CIA/PAD (NPIC).

2. These phones are necessary for secure discussions with DD/I, DD/P, and DD/S offices in the new CIA Headquarters building at Langley, and with the various intelligence offices of the military establishment and NSA.

25X1

3. It is suggested that [Redacted] of NSA [Redacted] [Redacted], be contacted prior to submission of a formal request for installation. [Redacted] is aware of our problems and may be able to provide assistance in expediting a favorable response to our request at NSA.
