25X1

Classification of Report

1. The report received recently by you from

25X1

dealing with your request for a definitive run-out of informa-

25X1

tion on SAMOS, is improperly classified. It should, in addition to the SECRET classification, bear the dissemination indicator NOFORN. This is in keeping with recent instructions from the USAF and those contained in NPIC NOTICE 10-305-1. Please arrange to have all copies of this report recalled by

(those not in our possession) for proper reclassification. Those

25X1

in our possession must also be properly reclassified.

2. Please advise when accomplished.

Distribution:

- 0 - Addressee
- 1 - SS/NPIC
- 1 - AS/NPIC
- 1 - OD/NPIC chrono

SECRET NOFORN
