Comments on Eur [redacted] Trip:

- I have talked with Stoertz, who is planning a similar trip about the same time, and we agree that we should travel together, aiming for the last two weeks in October.

- Ignore my scratchings on the [redacted] section of the itinerary

- I was resisting [redacted] and [redacted] but Stoertz has persuaded me that there could be some value in visiting those activities.

- Neither Stoertz nor I

desire to visit [redacted]

[redacted]

- I question the visit to Military Survey. Why?

- I should call on the DDI rep [redacted] (& COS, if he desires) before visiting [redacted]. Also, some time should be allotted at end of [redacted] visit to talk to DDI rep (& COS) if I or they desire same.

- Generally, I like the motif you present, in most cases, of limiting each day to one visit to one subject area. I do not want to be scurrying from place to place -- especially

widely-spaced places --
in a single day.

- I should like to know in Sept.
what our hosts (especially
 would like to have
from me.

- At an appropriate point, you
should ask to
pass the word to
that I am tripping.

- Go ahead and frame the
itinerary in collaboration with
Stoertz, submit same ~~me~~
to OPDI while I am on
vacation. I'll look it over
when I return.
