MEMORANDUM FOR: Director, National Photographic Interpretation Center

SUBJECT : Commendation - Suggestion and Invention Awards Performance

1. I am pleased that the National Photographic Interpretation Center has made another excellent record during the past fiscal year in the Suggestion and Invention Awards Program.

2. Your organization once again had the highest participation rate in the Directorate of Intelligence. NPIC employees submitted forty-six (46) eligible suggestions, more than any other organization in the Agency, and received awards totalling

25X1

3. I am sure that your continued outstanding performance each year is due to your active encouragement of the Program and the imagination and hard work of your Internal Suggestion Awards Panel:

25X1

Your Panel made significant contributions to the attainment of the Agency's all-time awards record of

25X1

4. Congratulations to you and your personnel. I urge you to continue to seek and encourage the development of new ideas and inventions to facilitate accomplishment of our mission.

25X1

R. J. Smith

Deputy Director for Intelligence
