MEMORANDUM FOR: Acting Chief, DPD, DD/P

ATTENTION:

50X1

SUBJECT: IDEALIST Program Requirement for Photography of
Operational Base

1. The existing requirement for obtaining photo coverage of the operating base on each mission is hereby cancelled.

2. This requirement was requested by NPIC to provide a means for determining certain angular relationships and other technical data for use in the reduction of metrical information from the photography. Current exploitation techniques do not necessitate obtaining photography over the base.
