STAT

Subject: Letter from Senator Chiles Regarding
Planned OFPP Oversight Hearings

For your information, the attached letter indicates that Senator Chiles plans to hold oversight hearings, either in early August or mid-September, with emphasis on major system acquisition policy implementation.

We will be testifying and will want to report for the executive branch on the progress that has been made in the planning for implementation of OMB Circular A-109. The Senator has not indicated which individual agencies he may ask to testify on their A-109 implementation activities.

Prior to the hearings, we would like to review your agency's implementation planning progress with your acquisition executive or the person responsible for A-109 implementation planning. Mr. Hunter of my staff will make the necessary arrangements for this review.

Fred H. Dietrich
Assistant Administrator
for Systems Acquisition
