MEMORANDUM FOR: Chief, General Scientific Division, OSI

ATTENTION : [redacted]

THROUGH : Chief, Requirements Branch, Reconnaissance Group, CGS

FROM : Chief, CIA/PID (KPIG)

SUBJECT : Hsian Radar Plant #728

REFERENCES : (1) OSI Requirement No. C-SI3-30,704, 15 October 1963
(2) CIA/PID Project No. C 1475-63

1. This memorandum is in answer to referenced requirement concerning Hsian Radar Plant #728.

2. The search for Hsian Radar Plant #728 was initiated using the following

[redacted] The search area consisted of a 30 nm radius extending from Hsian City Center. The above [redacted] Mission did not reveal a radar plant in this search area. The city of Hsian has many light fabrication industries, some of which are similar in plant layout and building design to known radar plants in China; however without the presence of radar and electronic equipment an accurate identification is not possible. This requirement should be resubmitted when additional photographic coverage of the search area has been obtained.

3. The photo analyst on this project was [redacted] who may be contacted on extension [redacted] should you have further questions regarding this project. This project is considered to be complete.
