REMARKS

Aydyrlyya Railroad Station in Krasnoyarskiy (51-56N 59-53E) is 80 miles northeast of Orsk on the double-track railroad (Route 462)* between Orsk and Chelyabinsk. As shown on the accompanying line drawing, the relatively minor rail facilities include the following: rail yard, ten tracks wide, 3,500 feet long; locomotive or car repair shop, 240 by 65 feet, with two through tracks; turning wye, effective length, 500 feet; and a coal storage area, 1,200 by 250 feet, served by three tracks.

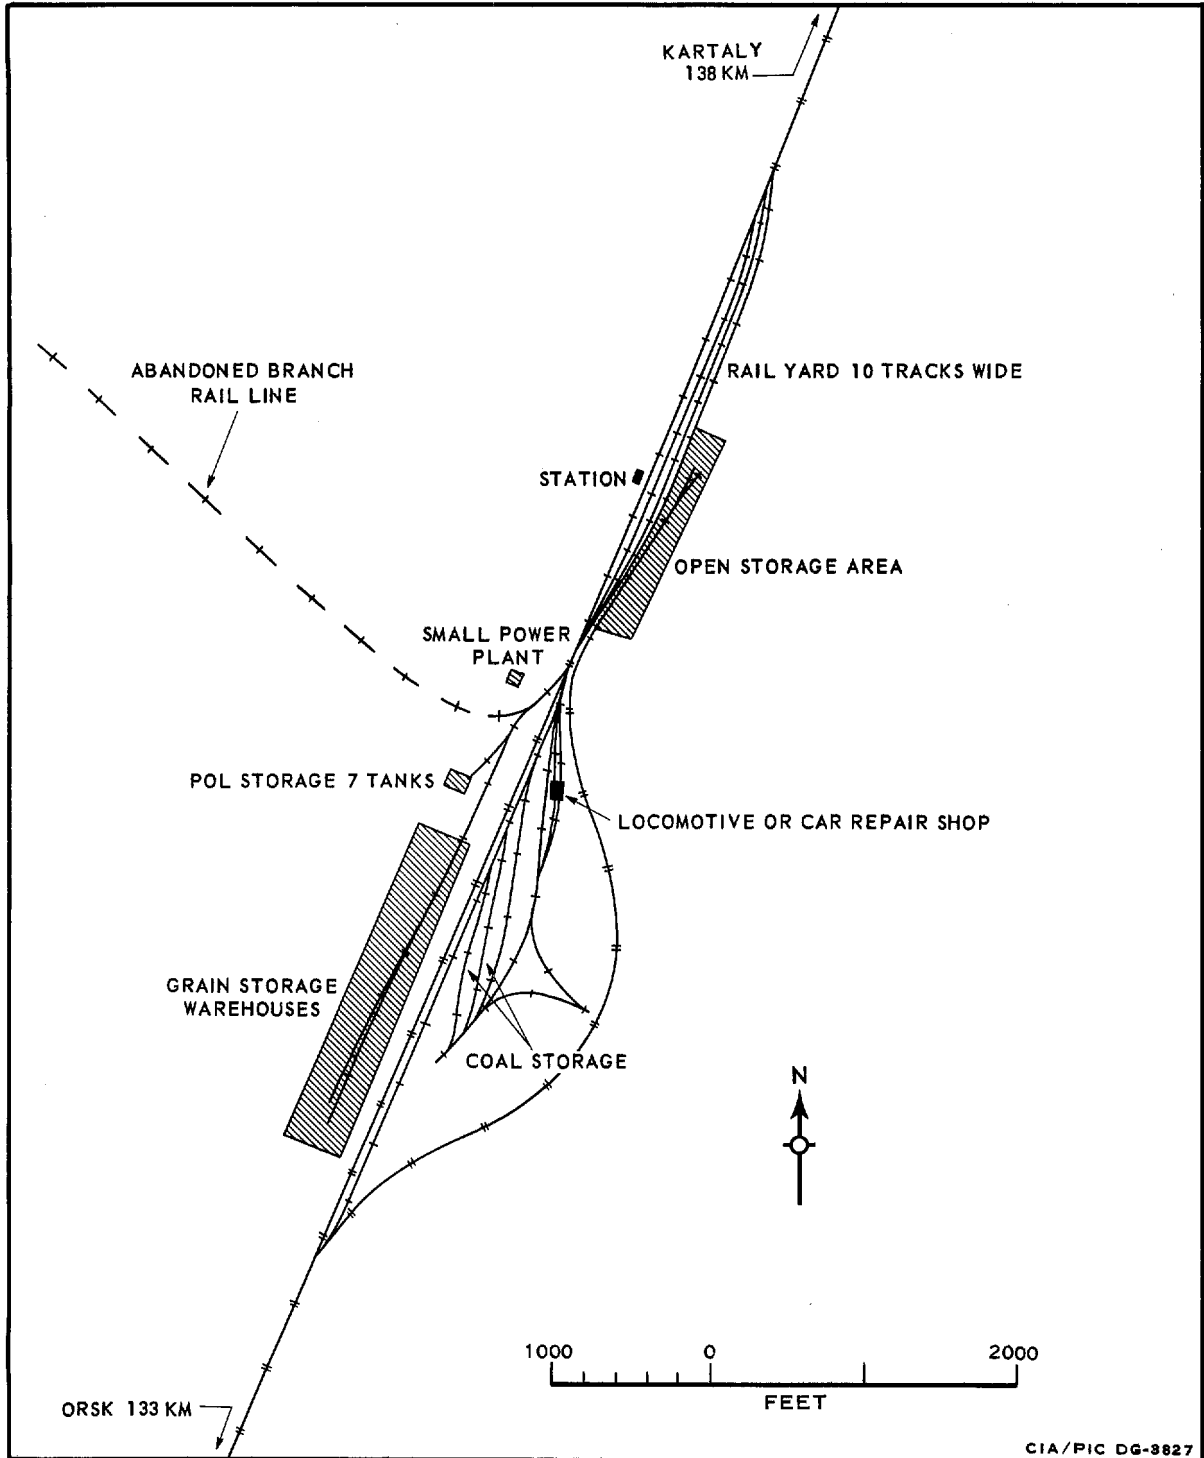

*Route number is taken from the document listed above.
