Area Target J bounded by UTM coordinates XUG53580, XUG50248, XUG60385, and XUG610248.

Two control points and a border crossing on route 13 are situated 9.5 km SE of Sraol (Sraol), Cambodia.

Control point A, one km NW of the Cambodian-South Vietnam border on the SE side of Route 13 at UTM coordinates XUG75247, comprises a double fence secured area containing one probable barracks and one support building. A probable MW position is on the SW side of route 13 across the road from the control point.

Control point B, 1.1 km SE of the Cambodian-South Vietnam border on the SW side of Route 13 at UTM coordinates XUG7218, comprises a triangular, wall and fence secured strongpoint containing 2 probable barracks and 3 guard towers. Three possibly associated buildings are SW of the control point on the SW edge of Route 13.

Two probable customs shacks, one on each side of the border, are situated at UTM coordinates XUG85232. Three trucks were observed at the border headed in a SW direction.
