Area Target M bounded by UTM coordinates W755801, W7995770, W750460, and W710500.

A possible military camp is situated immediately east of Phum Kranhonng and immediately east of the junction of the Phum Kranhonng-Kompong Trach (11-24N 105-48E) and the Phum Tamenh (11-32N 105-43E) -- Svay Rieng (11-05N 105-48E) roads at UTM coordinates W793575.

The possible camp comprises 2 adjacent fenced areas. The southern area contains 2 barracks and one probable administration building. The northern area is an old abandoned triangular strongpoint containing one storage building.

No traffic was observed along either route within the search area.
