SUMMARY OF [REDACTED] IN EUROPE

25X1A The Photo Intelligence Division of the Office of Research and Reports is now in receipt of [REDACTED] photography flown in Europe by the U.S. Air Force.

This memorandum summarizes the extent of this photo coverage and is intended to serve as a guide for requirements to be levied on the Photo Intelligence Division. Address all inquiries to ORR/DG/P; 206 Central Building.

25X1A [REDACTED] is a code name for a project designed to collect aerial
25X6 photography of the air corridors of [REDACTED] Austria, and Yugoslavia as well as oblique photography of border areas of Czechoslovakia, Hungary, Bulgaria and Albania.

25X1D

25X6 The specific areas covered by the photography are shaded on the
25X6 accompanying map with coverage also being available in areas of the U.S.
25X6 [REDACTED] Austria as well as [REDACTED]. The installations
25X1D within the [REDACTED] corridor such as airfield and military facilities are usually photographed [REDACTED]. Other areas are covered less frequently. All photography is received by this office about four to six weeks after it is flown.

25X1A The following list is an itemized account of areas that have appeared
25X6 on [REDACTED] photography. Attention is directed to the fact that certain names may fall into several categories but are listed only once. For instance: [REDACTED] appears on the list under "Airfields" but the town of [REDACTED] as well as industries and kasernes in the town are covered. 25X6
