TOP SECRET RUFF

DATE

1 December 1977 25X1

SUBJECT AREA: Mobile Missiles

IEG PI NOTICE

DISTRIBUTION: All PIs

No. 44-77

TITLE/SIGNIFICANCE:

SS-X-16/20-Related [redacted] Van

25X1

COMMENT: This notice supplements previous PI Notices on the SS-X-16/20-related [redacted] van. The van has a single cab located on the left side of the vehicle. A drawing of the van is shown in Fig. A. A drawing and a photo of the van chassis are shown in Fig. B and Fig. C (over). The [redacted] van has been seen at the Kapustin Yar and Plesetsk MSTC 25X1 Volgograd Plant 221 and, recently, at an electronics-related facility.
