TO : [Redacted]
FROM : Personnel Officer
Medical Officer

DATE: 7 October 1949

SUBJECT: Procurement of Medical Consultants

It is recommended that the Medical Division be authorized to establish for its own use a medical consultant service. As proposed the service would be composed of leading physicians in the various specialties of medicine and surgery, the number and type to be determined by the Medical Division. All physicians so authorized would receive full security investigation. Utilization of services would be limited to assistance in evaluation of diagnostically difficult cases scheduled for overseas assignment.
