REFERENCE : Memo dtd 14 May 76 to DDA fr Chrnm/CRB,

STATINTL

In accordance with the reference, the subject claim was sent to the Inspector General for investigation and resolution. As a result of his investigation of the case and the circumstances surrounding it, the Inspector General has recommended that Mr. [REDACTED] should be reimbursed \$3,000 for his losses. Since Mr. [REDACTED] had been given an advance of \$3,000 against his claim by the Office of Finance in July 1975, the settlement amount recommended by the Inspector General would liquidate that advance. You are requested to take the necessary actions to advise Mr. [REDACTED] of the Inspector General's recommendation and to ensure that his \$3,000 advance is liquidated accordingly.

Mike,

The attached might seem to be a bureaucratic move, but I'd like to close the loop officially on this case. Your memo will do that and also provide an authority for Office of Finance to liquidate the advance.

I am routing this through Tom [REDACTED] on its way to you and am also providing for a copy to close the IG file. Tom has talked with Ron and told him of the outcome of his case. Ron apparently is glad to settle for \$3,000, have the case behind him without getting into formal litigation, and realizes that any further action by him would open the whole thing up again with the outcome leaving him less fortunate than he is now. I still intend to talk to him myself, as both an OL and a CRB representative, and have him acknowledge that he has read your memorandum.
