MEMORANDUM FOR: Associate Deputy Director for Administration

FROM : James H. McDonald
Director of Logistics

SUBJECT : Provision of Reclaimed Silver to Agency
Commercial Contractors as Government
Furnished Material

Reference : Memo to D/L fm [redacted] same subject, 25X1A
dtd 13 Oct 1976 (DD/A 76-5083).

Mike:

25X1A

1. Procurement Management Staff has checked into this with [redacted] at NPIC, and it appears that we have contributed enough film to the recovery program to warrant drawing against the silver recovered when silver is an item of significant material cost in any Agency contract.

2. An informal survey of our senior contracting officers indicated that while Agency-funded procurement has not generated too many requirements for silver, there have been some rather significant requirements in the National programs and in some of the larger OD&E programs.

25X1A

3. PMS will prepare a Procurement Note on the subject and will reply to [redacted] memo.
