MEMORANDUM FOR: Harry Fitzwater  
Director of Training

FROM : John F. Blake  
Deputy Director for Administration

SUBJECT : Letter from Brookings Institution

Harry:

I am sure you are interested in this very nice letter from the Brookings Institution. Concerning the last paragraph, I don't think a medal is in order. Since, however, Mrs. [redacted] has received a copy of this letter, she may be interested in knowing what you intend to do about such glowing reports.
