

MEMORANDUM FOR THE RECORD

SUBJECT: Opinion Request - Electrometallurgy (S&T Bilateral)
Soviet Research Institutes to be
Visited by US Delegates

Attached is self-explanatory material from the Department of State.
May we have your opinion by 22 Jan 75.

Please state degree of interest and whether we will receive requirements.

[REDACTED] 25X1A
(TIAGE)

COMMENTS: The attached list of Soviet installations to be visited in 1975 by US delegates in the area of Electrometallurgy was proposed by the Soviet side. Is this Soviet supplied list representative? Do you have any deletions or additions? Are there any activities (research work, processes, etc.) at any of these installations which you would like to point out to the US side? Any other comments? Thank you.
