18. [Redacted] Talked with Ron Tammen, in the office of Senator William Proxmire, who had contacted us about Proxmire's cosponsorship of Senator Abourezk's amendment to terminate all U.S. covert activities. Tammen said he had tried to talk the Senator out of cosponsoring this amendment but was unsuccessful. He said he would like any arguments we had which he could use with the Senator in discouraging his participation in the debate on this amendment. I went over the background of this with Tammen and reviewed the arguments which he has given to Proxmire which I thought covered the subject as thoroughly as possible.
