1. Col. Floyd E. Dunn, Special Assistant to [redacted] visited me to request that ten officers with him be given a tour of CIA, their interest being primarily O/NE. He stated that these officers had recently had such a tour through G-2 and that General Porter had requested the CIA visit. I told him that, in principal, we welcomed such visits, but that I would have to find out whether or not it would be practical for his group at this time. I promised to let him know (131 x-56585).
