10. [REDACTED] of O/SO requested the name of our representative on the visit to [REDACTED]. I indicated that Mr. Amory would go, but later discussed with Amory the question of a substitute since I would desire to have Amory become acting DD/I during my absence in the latter half of September and first part of October.

11. Chatted with [REDACTED] who applied for a position with CIA. I suggested that he fill out forms and we would post his papers. [REDACTED] has had extensive experience in the Far East. 25X1A5a1

12. Explained to the DCI my reason for pressing that [REDACTED] be appointed acting chairman of the Watch Committee, rather than permanent chairman. Informed the DCI that we should take a good look at Gen. Willems, before determining upon a permanent chairman. 25X1A5a1

13. Informed the DCI that a representative of the American oil company negotiating with Iran would probably visit Washington during the week of August 11th in order to consult with the State Department. The Director indicated that he would inform Undersecretary Bruce.

14. Chatted with [REDACTED] present. I agree [REDACTED] at this particular juncture than by coming to CIA. His participation in the activities of the Watch Committee should be increased. 25X1A5a1

15. Received a report from Mr. Sheldon of a security case in his office which is well under control, and also respecting cooperation with O/NE on the briefing.
