10. Conferred with [REDACTED] 25X1A9a
respecting the reply we should make to the JIC invitation to participate
on the working team, preparing a draft of a JIC estimate which is to
25X1X7 [REDACTED] After considerable discussion,
I drafted a reply indicating that CIA would not designate a representative
for the working team, but would assist informally by providing any
necessary studies in CIA's fields of primary production responsibility.
