Subject: Department of the Army Request for Study of Subversive Doctrine

1. With reference to the request of the Department of the Army for a study of subversive Communist doctrine, OSOIB ID-36, 000.24, dated 31 March 1949, an OSO representative conferred with ORE immediately upon receipt of the request on 6 April 1949. It was agreed that ORE would take full responsibility for the research project involved, and that OSO would assist ORE by providing advice on the organization of the study, as well as supplying all relevant information available to this office. In several subsequent meetings between OSO and ORE representatives, the OSO representative assisted in the preparation of the basic outline for the project and furnished ORE with a number of basic reports available in OSO on subjects concerned with this project. OSO will continue to provide all available information as requested by ORE, and is engaged in the preliminary preparation of one section of the paper.

2. I understand that ORE is actively at work on the study and has discussed it with representatives of the Department of the Army. This memorandum is being forwarded through the Assistant Director/ORE so that you may be advised more fully of the progress made thus far on the project.
