Distribution for D/Ma Working Papers

REFERENCE: ORE Operating Procedure - Order No. 13, dated 20 April, 1950

1. It is requested that the inclosed distribution list of potential recipients of D/Ma working papers be approved for handling as described in the following paragraphs.

2. Because of the basic intelligence character of the contents of D/Ma's working papers, it is recommended that distribution of such papers be permitted without receipt of requests from IAC and selected non-IAC offices.

3. It is further recommended that D/Ma supply a separate selected distribution list to the Liaison Division, OCD, for each working paper issued for distribution outside of ORE. Selection in each case would be based on the anticipated interest of specific offices in the paper's content and might be limited to as few as one or two offices.
