

CENTRAL CONTACT REGISTER

FLOW CHARTS

CHART I - TAB F

Graphically depicts the inflow of information into the Register.

CHART II - TAB G

Indicates how a request is answered by the Register.

CHART III - TAB H

Shows the steps in handling the security "name checks" for CIC, Army, Navy, Air and State.

CHART IV - TAB I

Sets up the steps for contact control in those cases where the requestor includes the name(s) of the desired contactee in his request.

CHART V - TAB J

Includes the contact control procedures applied in answering a request where any or all of the names of potential ^{sources} are unknown to the requestor and have to be obtained by processing the Index in the Contact Register.
