A. Agenda Item No. 1: Disposition of OC Transportable Stations

1. Introduction

Prior to the meeting OC-E had circulated to all members a memorandum which made recommendations with respect to OC transportable stations located at Headquarters. The memorandum was prompted, in part, by advice from Logistics that the Agency must remove all material stored at [redacted] by 1 June 1963, and the fact that covered storage is not available at [redacted] for most of the transportable equipment. Transportable equipment now at these locations includes the following:
