- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

STATINTL

All of the program was useful. [REDACTED] talk didn't interest me all that much. He didn't present himself in a very alluring manner it seemed to me. However, the Course benefited me in that it gave me a look at what DDA is and what it is all about and where we're going. (See Reverse Side)

C. Did you feel the session on the Administration Directorate/
Management & Advisory Group (AD/MAG) was beneficial? Why?

yes. It informed me about the methods that
can be used in informing management about ideas
personnel have, other than the suggestion award route.

D. Other Comments:

Eliminate evening sessions and make the course
5 days long again, permitting time to talk to speakers on
a personal basis during "Happy Hour."

STATINTL

allow more time for [REDACTED] tour - it
was a little rushed.
