ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

In order to enhance the usefulness of the Trends and Highlights Course to you and future participants, a continuing process of evaluation is necessary. We ask your cooperation in assisting us in keeping the course responsive to the needs of the participants.

COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

*I found all segments useful since I have been in the DD/A for only one and one half years. The segment on Medical Services was the least useful because the speaker was not that informative. The program will benefit me because I have a better understanding of the DD/A. (See Reverse Side)*

- C. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

No. It's only seems to be a way of letting off "steam" about a pipe with no valuable results.

- D. Other Comments:

I enjoyed " Trends and Highlights."  
I found the course to be informative.  
I feel some of the speakers were too technical in their presentations.
