ADMINISTRATION DIRECTORATE REVIEW: TRENDS AND HIGHLIGHTS

Evaluation

In order to enhance the usefulness of the Trends and Highlights Course to you and future participants, a continuing process of evaluation is necessary. We ask your cooperation in assisting us in keeping the course responsive to the needs of the participants.

COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

*Support to Station Operations. This segment gave me an idea on chances are of getting an overseas assignment and the advantages and disadvantages of going overseas. The least useful to me was OJCS discussion on computers. I am sure programming is of benefit to me indirectly but it did not interest me.*

(See Reverse Side)

ADMINISTRATIVE INTERNAL USE ONLY

C. Did you feel the session on the Administration Directorate/  
Management & Advisory Group (AD/MAG) was beneficial? Why?

D. Other Comments: *The OMS presentation was not  
attention getting. The use of viewgraphs is  
very useful in absorbing what you see but  
sometimes it seemed like we were seeing  
too much viewgraphs. Trends + Highlights  
is a very good course.*
