

MEMORANDUM FOR:

OSR/SF CIA ROOM 3F29  
Phone 143-5551

STATINTL

John: The attached is a draft of the proposed response to the Warnke (ISA) question on ABM reload. As you will note we incorporated portions of the draft you sent over last evening. We will be discussing this with Gen Carroll this morning and will probably be revised further. As I indicated last night I am sure he will bring this up at USIB.
