

~~TOP SECRET NOVA~~

14 November 1969

MEMORANDUM FOR: Mr. John Bross

SUBJECT : Information for the President's Foreign Intelligence Advisory Board

The attached tables and charts contain the data on Soviet strategic offensive weapons requested by Pat Coyne in his memorandum to you of 3 November 1969. All of these data--including the printed charts--are current as of [redacted] 2 October 1969. [redacted]

25X1

25X1

25X1

[redacted] will probably not change these figures by more than ten launchers--if that much.

25X1

[redacted]

BRUCE C. CLARKE, Sr.
Director
Strategic Research
