

~~TOP SECRET~~

14 November 1969

MEMORANDUM FOR: Mr. John Bross

SUBJECT : Information for the President's Foreign Intelligence Advisory Board

The attached tables and charts contain the data on Soviet strategic offensive weapons requested by Pat Coyne in his memorandum to you of 3 November 1969. All of these data--including

25X1

the printed charts--are current

[Redacted]

25X1

[Redacted]

will probably not change these figures

25X1

by more than ten launchers--if that much.

25X1

[Redacted]
