MEMORANDUM FOR: Members of SIGINT Committee Ad Hoc Group
on Requirements Satisfaction

SUBJECT : Minutes of the First Meeting, 14 December 1972

1. Attendees were:

25X1

2. Subjects discussed included the terms of reference and ways to operate. It was agreed that each member would bring his proposed terms of reference to the next meeting for finalization and then submission to the SIGINT Committee. Members were further asked to submit at the next meeting a list of some 20-30 areas for consideration as units on which boxscores might be kept. (One example might be ELINT Ground EOB). The group agreed that weekly meetings were in order at this time, with these scheduled for 1000 hours Thursday. The room number will be noted on the agenda.
