<p>The attached memorandum from the Chairmen of the IHC and Security Committees proposes that they, with the assistance of appropriate USIB committees and agencies, be tasked to conduct an over-all review of all USIB-approved directives concerned with controls of dissemination and use of intelligence and intelligence information in order to recommend to USIB such changes as may appear to be desirable.</p> <p>STAT [ ] believe that this review will be a fairly long and complicated task and that recommendations for USIB consideration probably would not be ready for some time.</p> <p>If you approve, I propose to circulate this memorandum to the Board members for their information and for any comments or suggestions which they may have regarding the proposed review.</p> <p>Approve:</p> <p>Richard Helms Chairman, USIB</p> <p>Date</p>
