MEMORANDUM FOR: Director of Central Intelligence
FROM : Angus MacLean Thuermer
Assistant to the Director
SUBJECT : Air Force Association Briefing Request

As I mentioned briefly at the 11 June morning meeting, the Air Force Association is holding its 30th annual national convention in Washington next September.

Their executive director has asked if 500 members can come out here by bus to be briefed on September 22.

I hope that our experience with the AIAA did not leave us so puckerred up we can't respond to this good opportunity. The Association is composed of Air Force veterans, many of them retired officers, reservists or guardsmen. The delegates come from 300 cities in every state. Many are civic leaders.

I favor ~~our~~ obliging these people. Incidentally, the new guidelines on public speaking are ready for the Management Committee to consider.

The Association's letter is attached. We should give them the courtesy of an early reply.

Angus MacLean Thuermer

Please discuss this with various people.
This guy is son of
Do we ever bribe this kind of guy?

If not prepare letter delicately telling him so.

If yes, prepare letter saying we will set it up.
I am not inclined to see him personally.
Thanks.
