SUBJECT: Change in Priority on NIE-62 (Probable
Developments in Guatemala through 1952, and
Possible Consequences for US Security Interests)

1. G-2 has requested a change in the priority of NIE-62 from "high" to "urgent."
2. The Board itself is not aware of any new information of a nature requiring such a change.
3. If it is determined that the priority should be revised, the Board desires guidance as to the relative priorities of NIE-62, SE-22 (Consequences of Possible US Courses of Action with Respect to Indochina, Burma, and Thailand), and the proposed Special Estimate on "Prospects for the Establishment of an Effective Middle East Co. and Organization."
