17 August 1953

MEMORANDUM FOR THE ACTING DIRECTOR OF GENERAL INTELLIGENCE

SUBJECT: WIE-85: Probable Developments in Chile

Background

1. WIE-85 was initiated at the request of DD/P (WH). It is also responsive to a State Department interest in the subject.

Substance

2. The present text is fully agreed with the IAC representatives, subject to the correction of typographical errors and a few minor verbal changes disseminated by memorandum on 15 August. Our present information is that no substantial issues will be raised at the IAC.

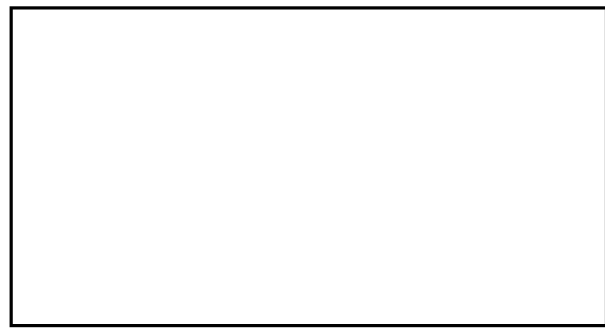

3. The present text is consonant with WH comment on an earlier draft. WH has seen the present draft and has stated that it has no further comment.
