**MEMORANDUM FOR: Office of National Estimates**

**SUBJECT : WH Division Comments on 31 August 1972  
ONE Memorandum on Chile**

1. As you know, the Division is under instruction from the ADDP to cooperate and participate actively with ONE in the preparation of all papers concerning Latin America. While we were involved in the discussion on the first draft of subject paper and we did receive a telephone call on the final version, apparently considerations of time did not permit us to see the final product.

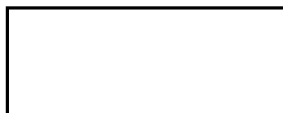

2. In this case, we certainly would not wish to quarrel with something already in print but we do feel you should take note of the following two points:
