MEMORANDUM FOR THE INTELLIGENCE ADVISORY COMMITTEE

SUBJECT: Coordination Footnote on NIE's and SE's

1. The Federal Bureau of Investigation has requested that the coordination footnote now used on NIE's and SE's be amended to reflect the limited or special role played by the FBI in the greater number of the foreign intelligence estimates produced through IAC machinery.

2. Accordingly we submit the following text for your consideration. This text would be used on all estimates in which the FBI did not participate directly at the IAC representatives level.

"All members of The Intelligence Advisory Committee concurred in this estimate on (date). The FBI abstained, the subject being outside of its jurisdiction."

3. Please advise me by close of business Wednesday, 8 April, of any objections to the adoption of the above text.
