MEMORANDUM FOR THE DEPUTY DIRECTOR/INTELLIGENCE

SUBJECT: **SRLE 20-64: THE ATTITUDES OF NATO COUNTRIES TOWARD
THE PROPOSED MULTILATERAL FORCE (MLF)**

OCI analysts contributed very helpful background material for the estimate and sat in on coordination sessions; they would have preferred different wording in various places but certainly go along with the paper as a whole. We specifically solicited comments from [redacted] of DD/P and from Tom Karamessines in view of his continuing interest in things Italian, and got three or four minor suggestions.
